Re: *Voltage Pictures, LLC v. Does 1-78*, U.S. District Court Docket No. 2:13-cv-00461, Order entered March 26, 2013; Comcast File #464219

June 7, 2013

To Whom It May Concern:

This is in response to the service packet with cover letter on the above matter dated May 1, 2013. This occurrence happened in a rental house where students are residing; I am the owner of the property, and the Comcast account is under my name. However, I have no knowledge of what content was illegally obtained, uploaded or downloaded. As soon as I received the abovementioned notice, I informed all the resident tenants of this property that this illegal act would not be tolerated, and that I would disconnect the Comcast service if any such illegal acts happened again. If the Court will allow me, I would be happy to release the names of all my tenants.

This sort of incident is something very new to me; and I hope that it will not be repeated. Please advise me on what further actions must be taken on this matter.

Sincerely,
